Bharathiar University Approval No: 10067/A2/2011 dated: 03 -03-2011

About the College

VLB Janakiammal College of Arts and Science, a Co-educational Institution was established by the eminent industrialist and philanthropist of Coimbatore City, Sri.V.L.Balakrishna Naidu on 15th April 1991 under the VLB Trust established by him in 1980. It has adequate infrastructural facilities for conducting classes and housing laboratories with the built up area of 14407.3 sq.mt spread over an area of 8.10 acre, including playground over an area of 2.70 acre

Within a span of 31 years, the College has become the most preferred destination for the seekers of higher education. The students joining the various courses of study offered by us, come from nearby states like Kerala, and far off places, especially, from Assam and Bihar. The students who join this college appreciate the quality delivery system, and see to that their brother; sisters and friends also join this college.

The students who are admitted not on the basis of outstanding performance in their qualifying examination, show marked improvement in the examination scores when they progress from one academic year to another and finally leave the portals of the college with a decent percentage and even University Ranks. Many go out with the added bonus in the form of offer letters for jobs from reputed companies through our placement Division.

We were able to identify the areas of our strength and weakness, through exercises in connection with Academic Audit Committee. The process undergone by us gave a fillip to our determination to move forward in achieving our declared mission with confidence. The NAAC Re-accreditation in 2021 gave us the taste of delivering quality service to our stakeholders. The NAAC, IQAC is functioning as a watch dog of the services provided by us. The regular End – Semester audits by IQAC helped us to identify the weak links in the otherwise strong chain.

The very purpose of NAAC Re- accreditation of this Autonomous College is to transform the students into holistic human beings through academic education, prospective higher studies, career up gradation, ethical orientation, environmental awareness, healthy human relations, national coherence and universal oneness. The time energy and money spent on this College are leading our primary stakeholder namely students to all around development as mentioned above.

The College is now growing year after year by upgrading the curriculum, strengthening the infrastructure, enriching the faculty, ensuring knowledge transfer, instilling research culture,

augmenting extension services, grooming students as responsible citizens by infusing academic, psychological, professional, social, national and global values in their mind set.

About Controller of Examinations Office

We have incorporated all requisite provisions for the Planning, Conduct, Evaluation and Result declaration of Internal and External Evaluation of under graduate and post graduate programmes under the purview of Autonomous stream with effect from the Academic Year 2011-2012, Research programs M.Phil and Ph.D. programs will remain under the direct control of Bharathiar University. The basic orders/ rules regarding examination fees, attendance and ratio of internal and external examination components will be followed as per parent university rules and regulations. Thus, our aim is to streamline and optimize the examination system and bring out results at the earliest with a view to help the student community pursue higher studies or seek employment fast.

In accordance with the guidelines of the UGC to Autonomous Colleges, VLB Janakiammal College of Arts and Science (Autonomous) shall constitute an Examination Cell headed by COE on the basis of potential of the person nominated by the Principal. One Deputy Controller of Examinations and One Assistant Controller of Examinations will be appointed by the Principal.

The COE will create his/her own team with the approval of the Principal of the College. The team shall consist of deputy controller nominated depending on the quantum of work in the Examination Cell. Teachers working in the college shall be nominated in the Examination Cell for tenure of three years. They will continue performing their regular teaching work as scheduled by the college. There shall be a team of office assistants, computer programmers, data entry operators and other helpers in the Examination Cell.
