REPORT

16.11.2022

Entrepreneurship Development Cell, along with Department of Management (PG) and Department of Catering Science and Hotel Management organized an Industrial visit to Rural Women Technology Park Incubation Unit at Annur on 16.11.2022. As a part of experiential learning the students visited bakery production, solar dryer, tailoring and sanitary napkin production, areca leaf making unit, green house, RO water making units etc. Dr.Akila, RWTP Manager and Ms.Shabana, Training coordinator gave an orientation of present rural scenario and working of the incubator, in what way the students can utilize the incubator and start a business. The students got experienced and better exposure in bakery unit by making cookies. Our students got hands on training in areca leaf and they spotted with 25 plates of various sizes. 67 EDC student members accompanied by three faculties. Student also triggered with many questions about start up procedures, funding, importing and exporting of products. Students really got exposure and benefited.
